

NO. CIV-06-973-D

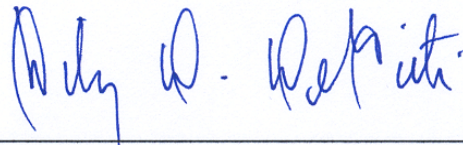

Plaintiff's counsel submits supporting documentation for the requested award of \$5,816.10 for services performed in this case; the fee is based on hourly rates approved by the Social Security Administration during the relevant time period. In response, Defendant agrees that Plaintiff is entitled to recover her attorney fees as the prevailing party in this matter, and he does not object to

the amount of the fee requested.

The Court has reviewed the application and the supporting documentation reflecting the legal work performed on behalf of Plaintiff. That documentation includes a description of the work performed and the date on which it was performed; it also reflects the hourly rate charged for each entry and the total hours expended for each dated entry. The Court concludes that Plaintiff has provided the necessary documentation to support the total fee award requested; the Court further finds that the total amount requested represents a reasonable attorney fee for the work performed in this case.

Accordingly, Plaintiff's petition [Doc. No. 28] for an award of EAJA fees in the amount of \$5,816.10 is GRANTED. Defendant is directed to pay that amount to Plaintiff in accordance with *Manning v. Astrue*, 510 F.3d 1246 (10<sup>th</sup> Cir. 2007).

IT IS SO ORDERED this 16<sup>th</sup> day of April, 2008.
